

REMARKS

This amendment is being filed concurrently with a Request for Continued Examination (RCE) and prior to payment of the issue fee. This amendment is identical to the Amendment under 37 C.F.R. § 1.312 filed on March 9, 2005 (which has been imaged by the Patent Office but has not yet been entered by the Examiner) except for the amendment to Claim 28. The changes to claims 33, 41, 48, 51, 54, 57, 76, 91, 104 and 124 are being re-presented because, according to PAIR, the Examiner has not yet acted on the 37 C.F.R. § 1.312 Amendment as of this filing. Entry of the foregoing amendment is respectfully requested.

Claims 28, 33, 41, 48, 51, 54, 57, 76, 91, 104 and 124 are currently being amended. The amendments, including the amendment to claim 28, are to further improve the form and readability of the amended claims and to avoid any possible antecedent bases issues. The amendments are not being done for reasons related to patentability.

This amendment adds, changes and/or deletes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier.

It is believed that no fees are due in connection with this amendment (other than the RCE filing fee which is provided herewith). In the event this is not correct, the undersigned authorizes the Commissioner to charge Deposit Account No. 19-0741.

Respectfully submitted,
